MATERIAL SAFETY DATA SHEET

Product name: AMPLITAN BE

Version n° 02 of 04/09/200907/09/2009

5 - Fire-fighting measures

Any extinguishing agent may be used. In case of fire, the product may emit acrid smoke and irritating fumes.
Respiratory masks should be worn.

6 - Accidental release measures

Cleaning method: Sweep or vacuum and collect the powder in a container. Wash residual with water.

7 – Handling and storage

Handling : Wear a dust mask.

Storage : Store in a cool, dry and ventilated area. Product is slightly hygroscopic. Avoid high temperature exposure over long periods of time.

8 – Exposure control / Personal protection

Respiratory protection: Wear a dust mask (P1 filter type)

Eye protection: Safety glasses (EN 166) are recommended.

Skin protection: Protective clothing are recommended.

Hand protection: Gloves are recommended.

9 – Physical and chemical properties

Appearance (colour) : brown

Odour : characteristic

pH (1 %) : 5.0 ± 0.5

Autoignition : $> 500^{\circ}\text{C}$

Decomposition temperature : $> 250^{\circ}\text{C}$

Flashpoint : not applicable

Water solubility : soluble

MATERIAL SAFETY DATA SHEET**Product name: AMPLITAN BE**

Version n° 02 of 04/09/200907/09/2009

10 - Stability and reactivity

Product is stable.

11 – Toxicological information

Not applicable.

12 – Ecological information

Not applicable.

13 – Disposal considerations

Dispose of product through authorized waste disposal companies according to local applicable regulations.

14 – Transport information

Not applicable.

15 – Regulatory information

Not applicable.

16 - Other information

"This data sheet completes the technical notices of utilization but does not replace them. The information provided is based on our current knowledge of the product at the time of publication. They are given in good faith. Moreover, the user's attention should be drawn to the possible risks incurred if the product were used for other purposes than those for which it has been designed.

In any case, the data sheet does not release the user from knowing and applying all regulations related to his/her activity. He/she will be solely responsible for taking the necessary precautions related to the use of the product."
