

# MATERIAL SAFETY DATA SHEET

According to European directive 2001 / 58 / EC

Product: **PRE-FERM SW**

Version n°01 of 10/03/2009

## 1 - Product and company identification

Product name: **PRE-FERM SW**

Application: preparation for œnological use

Supplier : SOFRALAB - 79 AV. A.A. Thévenet - BP 1031 - 51319 MAGENTA - France

Phone : 00 (0)3 26 51 29 30 – Fax number : 00 (0)3 26 51 87 60

Emergency number: ORFILA 00 (0)1 45 42 59 59

## 2 - Composition / Information on ingredients

- Dry and inactivated yeasts,
- Cellulose: CAS N° 65996-61-4
- Yeast hulls: yeast cell envelopes.

## 3 – Hazards identification

According to EC criteria, this product is not classified as hazardous substance.

## 4 - First aid measures

### General notes :

In case of inhalation : Remove casualty to fresh air. If irritation persists, consult a physician.

In case of skin/eye contact : Wash with water. If irritation persists, consult a physician.

In case of ingestion : Not applicable.

# MATERIAL SAFETY DATA SHEET

**Product: PRE-FERM SW**

Version n°01 of 10/03/2009

## 5 - Fire-fighting measures

Suitable extinguishing media : Water, foam, carbon dioxide.

## 6 - Accidental release measures

Individual precautions : Ensure proper ventilation

Protocol for cleaning/collecting : Sweep/shovel up spilled product or recover it with a vacuum pump. Wash area with plenty of water. Collected product must be disposed of in accordance with applicable regulations.

## 7 - Handling and storage

**Handling:** In low-ventilation areas, wear an anti-dust mask. Avoid dust inhalation and contact with eye and skin.

**Storage:** Store in a cool, dry and well-ventilated area. Avoid long storage at high temperature.

## 8 - Exposure control/Personal protection

**Respiratory protection:** Wear an anti-dust mask (P1 type) in low-ventilation areas.

**Eye protection:** Safety goggles (EN 166) in case of excess dust concentration.

## 9 - Physical and chemical properties

### General notes:

Appearance: Powder

Color: Light brown

Water solubility: Partial

## 10 – Stability and reactivity

The product is stable.

**MATERIAL SAFETY DATA SHEET****Product: PRE-FERM SW**

Version n°01 of 10/03/2009

**11 – Toxicological information**

Yeast may cause allergic type reactions.

**12 – Ecological information**

No effect on the environment.

**13 – Disposal considerations**

Dispose of in accordance with applicable regulations.

**14 – Transport information**

Not applicable.

**15 – Regulatory information**

Not applicable.

**16 - Other information**

The vertical lines on the left side indicate the modifications made to the precedent version.

“This data sheet completes the technical notices of utilization but does not replace them. The information provided is based on our current knowledge of the product at the time of publication. They are given in good faith. Moreover, the user’s attention should be drawn to the possible risks incurred if the product were used for other purposes than those for which it has been designed.

In any case, the data sheet does not release the user from knowing and applying all regulations related to his/her activity. He/she will be solely responsible for taking the necessary precautions related to the use of the product.”
