P : 1/2

S. A. SOFRALAB
STATION OENOTECHNIQUE DE CHAMPAGNE
MARTIN VIALATTE

79, Av. Thévenet - BP 1031 – MAGENTA

51319 EPERNAY CEDEX

Tel : 03 26 51 56 45

Fax : 03 26 51 87 60

N°1 Version 27/01/00

Specification Rules conforming
to the norm NF ISO 11014.1

1 – Identification

Commercial designation : **ADJUVANT 84, 92, AGGLO, MO Liquide**

Supplier : Society MARTIN VIALATTE - 79 AV. A.A Thévenet - BP 1031 - 51319 MAGENTA

Tel. 03 26 51 56 45 - Fax 03 26 51 87 60

Emergency number : ORFILA 01 45 42 59 59

2 – Chemical Composition

Bentonite suspension or montmorillonite or silicate alumina hydrate.

CAS number : 138-93-0 and alginate

3 – Identification of dangers

Product not dangerous according to the criteria of the European norm relative to the classification of dangerous substances.

Will create a slippery surface if spilled.

4 – First aid

Contact with the eyes : Rinse repeatedly with running water.

5 – In case of fire

Non flammable.

6 – In case of accidental dispersion

Rinse with plenty of water

7 – Handling and storage

Not applicable.

Product name : ADJUVANT 84, 92, AGGLO, MO Liquide

8 – Individual protection

No risk.

9 – Physical and chemical properties

Aspect : Liquid, lightly viscous
Colour : Cream- grey
Density : 1010 to 1020 kg/m₃
Solubility : Insoluble in water and solvents.

10 – Stability and reactivity

Product inert

11 – Toxicological information

Not applicable.

12 – Ecological information

Not applicable

13 – After use procedures

Rinse with plenty of water.

14 – Transportation information

No specific precautions necessary.

15 – Regulatory information

Not applicable

16 – Other information

« This sheet completes the technical utilisation manual but does not replace it. The information contained within is based on the level of our knowledge relative to the product at the date indicated. It is given in good faith. The attention of the users is above all drawn to the eventual risks taken for the products usage in situations other than that for which it was conceived.

In no situation should the user disregard the precautions outlined for the products use. The user assumes the sole responsibility for following the precautions listed in regards to their utilisation of the product ».
