

# MATERIAL SAFETY DATA SHEET

Directive 2001 / 58 / EC

**Product: DUOGOM**

Version n°02 of 27/02/2008

## 1 – Product and company identification

Product name: **DUOGOM**

Application: preparation for œnological use

Supplier: SOFRALAB – MARTIN VIALATTE ŒNOLOGIE – STATION ŒNOTECHNIQUE DE CHAMPAGNE  
79 AV. A.A. Thévenet - BP 1031 - 51319 MAGENTA - FRANCE

Phone 00 33 (0)3 26 51 56 45 – Fax number 00 33 (0)3 26 51 87 60

Emergency number: ORFILA 00 33 (0)1 45 42 59 59

## 2 – Chemical composition/information on components

Acacia gum : polysaccharide

Concentration : 200 g/L

N° CAS : 9000-01-5

Food additive : E 414

## 3 – Hazards identification

According to the criteria of European standard related to the classification of hazardous substances, this product is classified as not hazardous.

## 4 – First aid measures

In case of eye contact : Immediately flush with water. Get medical attention if irritation persists.

In case of skin contact : Flush with large amounts of water in case of irritation.

In case of ingestion : Give water and get medical attention if large amounts have been swallowed.

# MATERIAL SAFETY DATA SHEET

**Product : DUOGOM**

Version n°02 of 27/02/2008

## 5 – Fire fighting measures

Use water or carbon dioxide extinguishers

## 6 - Accidental release measures

Collect most of the spilled product with a vacuum pump and wash with large amounts of water

## 7 – Handling and storage

Handling : Safe

Storage : Store in a cool place.

## 8 – Exposure control/Personal protection

Eye protection : wear a protective goggle or glasses

Hand protection : wear protective gloves if risk of contact.

## 9 – Physical and chemical properties

Appearance : Light yellow liquid

Viscosity : 50 centipoises

Voluminal mass : 1100 kg/m<sup>3</sup>

pH (solution at 20 %) : 2 to 3

## 10 – Stability and reactivity

Stable product

Hazardous reaction : none

**MATERIAL SAFETY DATA SHEET****Product : DUOGOM**

Version n°02 of 27/02/2008

**11 – Toxicological information**

Ingestion : not harmful

Skin : temporary irritation is possible

Eye : may cause reversible injuries

**12 – Ecological information**

Biodegradable

**13 – Disposal considerations**

Collect spilled product with a vacuum pump and wash with large amounts of water.

**14 – Transport information**

Rail/road (RID/ADR)

Maritime route (IM DG)

Air route (IATA)

**15 – Regulatory information**

Not applicable

**16 – Other information**

« This sheet completes the technical utilisation manual but does not replace it. The information contained within is based on the level of our knowledge relative to the product at the date indicated. It is given in good faith. The attention of the users is above all drawn to the eventual risks taken for the products usage in situations other than that for which it was conceived.

In no situation should the user disregard the precautions outlined for the products use. The user assumes the sole responsibility for following the precautions listed in regards to their utilisation of the product ».
