Appearance : Beige to grey powder

pH (solution at 1%) : 7 to 9

**10 - Stability and reactivity**

In case of fire, the decomposition gives carbon dioxide and carbon monoxide..

**11 – Toxicological information**

Not concerned

**12 - Ecological information**

Biodegradable product

**MATERIAL SAFETY DATA SHEET****Product : SUBLICOL**

Version n°01 of 13/04/06

**13 – Disposal procedures**

Vacuum the product up.

**14 - Transport information**

Not applicable

**15 - Regulatory information**

Not applicable

**16 - Other information**

The vertical lines on the left side indicate the modifications made to the precedent version.

This data sheet completes the technical notices of utilization but does not replace them. The information provided is based on our current knowledge of the product at the time of publication. They are given in good faith. Moreover, the user's attention should be drawn to the possible risks incurred if the product were used for other purposes than those for which it has been designed.

In any case, the data sheet does not release the user from knowing and applying all regulations related to his/her activity. He/she will be solely responsible for taking the necessary precautions related to the use of the product.
